

**One Hundred Ninth Legislature - First Session - 2025**

**Introducer's Statement of Intent**

**LB349**

---

**Chairperson: Senator Tom Brandt**

**Committee: Natural Resources**

**Date of Hearing: March 06, 2025**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 349 defines “electric energy storage resources” and confirms electric suppliers constructing, owning and operating electric energy storage resources, regardless whether affiliated with a privately developed renewable energy generation facility, may be public or private. The bill also states the Power Review Board has authority over electric energy storage resources and is authorized to enforce rules against electric energy storage companies.
