

One Hundred Ninth Legislature - First Session - 2025

Introducer's Statement of Intent

LB358

Chairperson: Senator Carolyn Bosn

Committee: Judiciary

Date of Hearing: January 31, 2025

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Current law requires the director of the Department of Corrections to establish and maintain an individual file for each person committed to the department. Each individual file contains relevant information relating to such person, including reports of any disciplinary infractions and of their disposition. Legislative Bill 358 would provide that the committed person would have access to their individual file upon written request to the chief executive officer of the facility where the person is housed.
