

# **One Hundred Ninth Legislature - First Session - 2025**

## **Introducer's Statement of Intent**

**LB97**

---

**Chairperson: Senator Mike Moser**

**Committee: Transportation and Telecommunications**

**Date of Hearing: February 03, 2025**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB97 is a clean-up and harmonization bill for the Department of Motor Vehicles including:

- Exempts Commercial Driver's License holders from deferred judgments and will prevent masking of the offense from the CDL holder's driver's record to protect federal highway money.
- Allow email addresses and phone numbers to be protected from release to the public and classified as sensitive personal information under the Uniform Motor Vehicle Records Disclosure Act.
- Adds a new definition of amphibious vehicle and exempts these vehicles from requiring duplicate registrations under both the State Boat Act and the Motor Vehicle Certificate of Title Act.
- Corrects an omission of the Breast Cancer Plate from the list of specialty plates in NRS 60-393 and 60-396.
- Changes the definition of minibike to accommodate for electric bikes and amends the definition of junk vehicle to harmonize with the federal definition.
- Allows the DMV to charge the same inspection fee as other certified law enforcement agencies.
- Allows the release of a lien when issuing a bonded title after proper notification to the lender.
- Corrects an omission which occurred when the Motor Vehicle Certificate of Title Act was recodified to exempt fertilizer trailers from being titled.
- Allows for the issuance of an Ignition Interlock Permit for persons who have not held a Class O or M license and allows for reciprocity to accept another state's equivalent order for issuance of an Ignition Interlock Permit.
- Cleans up language to eliminate the word "surcharge" from the license security fee.
- Changes language on distribution of fees collected under the International Fuel Tax Agreement.
- Eliminates the United States Government Certificate of Release from being exempt from vehicle inspections for titles and waives the fee for the inspection.
- Prohibits altering the design of license plate.
- Allows the DMV to receive monies paid directly to the DMV.
