Now the chair would suggest that we can possibly speed up the process here by as much as a day, if the reference committee refers these bills today. I have visited with Senator Carpenter about this and if we took a short recess, the executive board could refer these bills to the respective committees and then the committee chairman could go ahead and set them for hearing. Senator Carpenter.

SENATOR CARPENTER: (having trouble with mike)

SPEAKER: Senator why don't you use another mike and I'll instruct the clerk to get that fixed.
