

January 4, 1973

SPEAKER: Will you hold that just a second Senator?
Senator Cavanaugh.
Senator, I don't believe your microphone is working.
How about the button up at the top there.

SENATOR CAVANAUGH: Is it on? Mr. President I move that
the State Librarian be authorized and directed to furnish
the committee on enrollment and review a copy of the current
reissue of the revised statutes of Nebraska 1943 to 1972
Supplement, thereto.

SPEAKER: Are there any objections to that? If not, it is
so ordered. Senator Carpenter.

SENATOR CARPENTER: Mr. President as long as we are going
to recess, if the Executive Council has no objection, we
could meet now and do now what we would do this afternoon.
So let's make the announcement immediately and see how
many get there. We will not do anything without a quorum.

SPEAKER: The Executive Board will meet immediately after
we recess this morning which should be in a few minutes in
the Legislative Council Hearing Room. Are there any objections
to recessing till 1:30? There will be some bills to be read
and then we will have the inaugural ceremonies. If there is
further business this morning and if there are no objections
to recessing to 1:30, I hereby declare that we are recessed
until 1:30.
