SENATOR CARPENTER: Let's take a resolution like we had the other day, there one on agriculture. Now what would be the procedure if we adopt the rule in that type of a resolution.

SENATOR DUIS: Well, the resolution there, I don't think was engrossed. That was a resolution that was merely sent to the representatives for their consideration and consequently that would be given to the clerk for the 25 signatures which would be passed by the Legislature and would be forwarded as it should be.

SENATOR CARPENTER: What do we mean by engrossed, for example, or not engrossed. What is the--

SENATOR DUIS: This is the problem that we came up against and if the clerk will assist me here
