

believe it was so I have asked to add that to the amendments that you have before you on this slip of paper and I would ask that we adopt these amendments. You can adopt them one at a time or all together and I'd just as soon you adopted all together, it's up to you, you folks here in the body.

SPEAKER: Senator, Senator Barnett, you're going to have to ask for unanimous consent to reject your previous amendment.

SENATOR BARNETT: I, okay, then I'd ask unanimous consent to reject my previous amendments.

SPEAKER: Senator Barnett has asked for unanimous consent to reject his previous amendments. Do I see any objection? Senator Duis, are you objecting?

SENATOR DUIS: I would like to ask a question before this, will this cause equality between everybody concerned, I mean will the school systems and everybody be equal then?

SPEAKER: To whom are you directing your question?

SENATOR DUIS: Senator Barnett.

SPEAKER: Senator Barnett, will you yield?

SENATOR BARNETT: I'd yield if I could answer.

SENATOR KELLY: This is the whole intent, is to keep the same 10 year limit on E.S.U.'s as we have on the school districts. Correct.

SENATOR MARSH: Thank you.

SPEAKER: Are there any objections to Senator Barnett's unanimous consent motion to reject -- Senator Duis.

SENATOR DUIS: I've gotta come back here again because I want to be sure that you don't have this real estate that I have put in there in this statute on 10 years.

SPEAKER: Senator Fred Carstens, did you wish to speak? The Chair sees no objections to Senator Barnett's unanimous consent motion to reject his previous--Senator Marsh, did you have--you object.

SPEAKER: Let's see. Senator Barnett has moved that his previous amendments be rejected. Is there a second. There
