CLERK: Read.

SPEAKER: Senator Carpenter, following our procedures, actually, I should have asked Senator Duis if he wanted to explain the bill first, and Senator Fellman has had his light on here for sometime. Senator Fellman, did you have a comment?

SENATOR FELLMAN: I have some questions, but I will wait.

SPEAKER: You'll reserve those. Now, Senator Duis, would you care to explain the bill or would you rather wait until Senator Carpenter, and then explain the bill? Senator Carpenter
