

(Start of Belt #13)

We've discussed it far to much. It's a serious problem that we should not have to thrash it over each time a bill comes up. We should pass the bills. They should go on and they should be passed on Final Reading and there shouldn't be that much discussion about it because the procedure is not that important. Therefore, Mr. President, I, respectfully, urge you to pass these bills on to E & R.

SPEAKER: The Senator from Bellwood has closed. All those in favor of advancing the bill vote aye. Those opposed vote no. Have you all voted? The clerk will record.

CLERK: 25 ayes, 11 nays, 13 not voting on the motion to advance.

SPEAKER: The bill is advanced. Is there anything on the clerk's desk.

CLERK: Mr. President, I ask unanimous consent to pracket LB 246 on E & R for engrossing. Signed, Senator Carpenter.

SPEAKER: Any objections to that? Senator, do you want to speak?

SENATOR CARPENTER: Yes, I have some changes to correlate with another bill which hasn't been reported out yet.

SPEAKER: All right. Any objections? If not, it is so ordered.

CLERK: Mr. President, a new bill. Head title. LB 112A. Mr. President, I move we adjourn until 9:15 A.M., Signed, Senator Hasebroock.

SPEAKER: All in favor of adjourning until 9:15 say aye. Those opposed say no. We are adjourned.
