(Start Belt #11)

next Thursday, Senator Waldron do you object? Alright, are there any objections? Hearing none so ordered. Now Senator Barnett back to you. For what purpose do you rise?

SENATOR BARNETT: Mr. President to respond to the charges by our Committee Chairman, in the Committee on Committees, I'd like to correct him the same as I had to do yesterday on the motion. I did make that statement there is an incorrect statement in the journal, or in the World Herald, it should read two hours instead of an hour and a half, on the in favor of Dr. Anderson and about if Senator Whitney said thirty six and a half minutes for the opposition, that would be fine, but I had to correct him yesterday on the motion and I had to correct him again today, it's getting to be a habit.

SPEAKER: Senator Whitney.

SENATOR WHITNEY: Mr. President, this is absolutely untrue, the first time we had a session is an hour and a half, at which time when sixty percent of the meeting, by the time we had sixty percent of the meeting over, Senator Barnett had asked forty questions, and I want you to know that those questions were not favorable to Dr. Anderson. Senator Chambers had asked thirty nine questions, during that first period, and those were not particularly favorable either.

SPEAKER: Senator Whitney, we have a motion to adjourn.

SENATOR WHITNEY: And so I just want to correct that, that the first time we had Dr. Anderson before us and the Senators asked questions, nobody was permitted to talk in favor of him at that time.

SPEAKER: Any other business to come before the body? Senator Waldron. Yes sir.

SENATOR WALDRON: I ask unanimous consent to use Senator Kremer's regular hearing room, next Thursday, that would be 2102?

SPEAKER: Are there any objections? So ordered. Before the body adjourns I want to record into the journal that there were fifteen Political Science students from the Grand Island High School, with their instructor Robert Miller and they, students were from Senator Kelly's and Stromer's district. We were delighted to have them here as visitors today. Now, what's the motion?

CLERK: Mr. President I move that we adjourn until Monday 9:00 a.m. signed Senator Chambers.

SPEAKER: The motion is to adjourn till Monday at 9:00 a.m. The motion is to adjourn till Monday at 9:00 a.m., alright all those in favor of adjourning until Monday at 9:00 a.m. will vote aye, all those opposed will vote no. The motion is to adjourn until Monday at 9:00 a.m. The motion is to adjourn until Monday at 9:00 a.m. all those in favor vote aye, all those opposed vote no. It's the Chair's understanding that even though there are Committee Meetings you can still hold your committee meetings, it doesn't have to count as a legislative day. Have you all voted? Once again have you all voted? The Clerk will record.

CLERK: 20 ayes, 19 nays.

SPEAKER: The motion prevails, and we are adjourned until 9:00 Monday morning.
