barber's kinda slow, so I read all of the lines in here and down in the lower left hand corner it says, "White win huskers Spring Game". Lincoln May 2th. I would like to take a moment to read about eight lines here, "piling up a 32 to 1 lead at the half, the White's defeated the Red's 50 to 25 in the University of Nebraska inter squad basketball game Wednesday. Paul Amen of the Red's led both teams in scoring with 10 points, but here is the kicker, Cal Carstens and Leland Hale topped the White scoring with 9 points each, and I would like to congratulate Sweetwater Carstens that man of yesteryear as we recall after viewing the recent basketball games here in our state tournament.

SPEAKER: Sweetwater would you care to stand so that we can all recognize you.
