and the County and the Federal Government will pick up the tab and that's the one thing that's like a forest fire, it's running away with itself. Now as of what our previous experience has been, medical assistance is costing the State about \$12,000,000 and the cash fund which is the County, about \$11,000,000 and the Federal Government \$30,000,000. Now we can also, getting back to ADC, the Federal Government will put up additional money in order to pay at least a part on the same relationship they're now paying for ADC, but once you're committed that, you're committed for
