

PRESIDENT: Is there any other business to come before the body. Senator Proud?

SENATOR PROUD: Senator Carpenter wanted to go a little while longer and that's quite alright with me. I just put that motion up there at the proper time so I would like to, I don't know whether you have a quorum here or not. I would like to withhold that motion unless somebody wants to adjourn right now.

PRESIDENT: Senator Proud--

SENATOR PROUD: Maybe Senator Carpenter has something to say about that.

SENATOR CARPENTER: I think we ought to wait and I have no bill I want to bring up. I think it's a courtesy, we're in the frame of mind, if we stay here 10 minutes, we can satisfy members who may have a desire.

PRESIDENT: Well, let's do this, let's see how many votes we have here. Do you want to do that? All right. Please record your presence and then we'll know how many votes we do have. Chair is asking you to please indicate your presence. Okay. That's a little difficult to do business here. All right. Senator Chambers.

SENATOR CHAMBERS: Mr. President, this is why I wanted to make that motion to adjourn on Friday while those of you who come on Friday were here. This would give you a legitimate way to do what the others have been doing anyway. Not that their reasons weren't legitimate.

PRESIDENT: All right. I think that's an indication. Thank you. The Clerk will clear the board. That's an indication that we can't really transact any more business. We have a motion to adjourn until 10:00 Monday morning. All those in favor of the motion signify by saying aye. Those opposed say no. It is so ordered, we're adjourned until 10:00 o'clock Monday morning.
