

LB 265

March 27, 1973

PRESIDENT: Senator Cavanaugh, do you wish to be heard on the bill? Still speaking on the advancement of 265.

SENATOR CAVANAUGH: Well Mr. President and members of the body, I don't think that the bill would be better off dead, but I certainly would concur with Senator Lewis, and all of you find Senators who are the great defenders of the employer in this body, have just crucified your dear employers, because these poor people aren't going to know when they are going to be in Federal court, State court, or where they are going to be and they are liable to be in both the majority of the time, that was just a beautiful move on your part and I hope all the employers in your district appreciate it.

PRESIDENT: Senator Richendifer.

SENATOR RICHENDIFER: Mr. President and members of the body, there is still time to correct this bill on select file, so I see no reason for all the adlib.

PRESIDENT: Any further discussion of the bill, the question is shall, now, are you all through, Senator Fowler do you want to close on your motion at all to move the bill, any more discussion? Alright, the question is shall LB 265 as amended be advanced from general file to E&R initial, all those in favor vote aye, all those opposed vote no. Have you all voted? Once again, have you all voted? Senator Richendifer? Senator Richendifer asking for a call of the house, the Clerk will clear the board please. At the next bell
