PRESIDENT: Bill is passed.

CLERK: Legislative Bill 872, introduced by the Retirement Committee (read). There are committee amendments.

PRESIDENT: Chair recognizes Senator Whitney for the committee amendments.

SENATOR WHITNEY: Mr. President, I move that we adopt the committee amendments. This committee amendment says that any benefits paid to the beneficiary of such Judge in lieu of the return of lump sum equal to all contributions to the fund made by such Judge shall be the actuarial equivalent of such lump sum value computed as of the date of death of such Judge. This is simply to be fair to the beneficiaries.
