

March 29, 1973

(Start Belt #18)

This bill was raised from committee notwithstanding the kill motion and when a bill is raised, the amendments are not on it. However, I did report, if you will read the report of the committee, I did put number 1, number 2 and number 3, the amendments and you can fit them into the bill, they're right there in your book. Just look at the report. There is griping about the way these reports were made. This report is complete and it has every one of the amendments in it, and I would not have had to done that but I did and it's in there.

SPEAKER: Well, the committee amendments, when a bill is raised from committee, the amendments do not go along with it but that doesn't preclude anybody from asking for the adoption of the committee amendments. Would you agree with that?

SENATOR LUEDTKE: Well, we have to bring them up--

SPEAKER: Yes.

SENATOR LUEDTKE: They wouldn't be committee amendments, they'd be, an individual can bring amendments on the floor Mr. President, and let me explain. The reason the amendments are here in the report is that the committee adopted these amendments.

SPEAKER: Well, they're part of your report, Senator--

SENATOR LUEDTKE: That's right and the attempt was made to bring the bill out by adopting these amendments but it didn't happen to work.

SPEAKER: And, and, any member of the committee or anybody else can move to adopt them if they so desire--

SENATOR LUEDTKE: That's right. .

SPEAKER: ---back to you, Senator Whitney.

SENATOR WHITNEY: Well, I want to thank Senator Luedtke for informing me that the committee amendments are there. They look a little different, they are in a little different form than normal and so, I'd at this time, like to ask Senator DeCamp a question if he would yield.

SPEAKER: Senator DeCamp, will you yield the phone there and--

SENATOR WHITNEY: I'd like to ask Senator DeCamp a question. If this amendment fails, is it your intent to move that these amendments of the committee be put on the bill?

SENATOR DECAMP: I'm, yes it is, sir.

SENATOR WHITNEY: Thank you.

SPEAKER: Any further discussion on Senator Marsh's amendment? If not, Senator Marsh, do you care to close?

CLERK: Mr. President, we have another amendment to the Marsh amendment coming forward.

SPEAKER: Well, we have an amendment to the Marsh amendment?

CLERK: Yeah.

SENATOR MARSH: Let's hear that.
