are asking for the Secretary of the State and the Auditor of Public Accounts. Now it seems to me that there is no comparison really in the responsibility and the authority and the custody of what their responsibilities are. The Attorney General is an illustration \$22,500.00, well the county attorney of Douglas County gets \$20,500.00. The city attorney of the city of Omaha as I recall gets more than that and I think the deputy of the Attorney General should get \$20,000.00, the deputy for example in Douglas County in some areas gets \$22,500.00. Now I realize this is a highly controversial area of (inaudible) within this legislature and the people we attempt to serve, and I'd like to divide the question if the body has no objection and devote yes or no on each individual
