

April 4, 1973

I didn't read every bit of those Committee amendments. Maybe, I missed it but I don't see where it makes a bit of difference whether they attend or not.

SPEAKER: Senator Kremer.

SENATOR KREMER: Senator Barnett, this was the intent of the Committee, as I recall. Now, I haven't gone over the amendments as I have them in my book and applied them to the bill itself and, maybe, we should bracket the bill until we are sure this is in there, but this is certainly my intent.

SENATOR BARNETT: I certainly don't want to hold Senator Stromer's bill up. I think it is a good idea, but, at the same time, to tell these people that they are going to attend class and then have nothing in here to make them attend class, I think is just a waste of time.

SPEAKER: Senator Stromer, it may be that you want to make amendments to this on Select File, is that your intention?

SENATOR STROMER: Pardon.

SPEAKER: Maybe that you may want to make an amendment like this on Select File.

SENATOR STROMER: Well, I can include that as a part of the amendment, would be the one on the Select File. I think with the amendments that I have which I can't find right now, I thought I had them here in my file, would be to just simplify the language that we have here.

SPEAKER: All right, Senator Barnett.

SENATOR STROMER: And I could include that in with the same group.

SENATOR BARNETT: Would you do that, then?

SENATOR STROMER: Because it was my intention that we had those...

SENATOR BARNETT: I don't believe it's in there now and I wish you would include it.

SPEAKER: OK. Senator Nore.

SENATOR NORE: Mr. Chairman, I'd like to ask Senator Stromer a question.

SPEAKER: Senator Stromer.

SENATOR NORE: Senator Stromer, will this be applied on the first offense?

SENATOR STROMER: Senator Nore, it would be applied upon whichever period of point of time that a person would lose his license with the point system we have in Nebraska.

SENATOR NORE: Oh, he would have to lose it first.

SENATOR STROMER: Right.

SENATOR NORE: Fine.

SPEAKER: Senator Whitney.

SENATOR WHITNEY: I would like to ask Senator Stromer a question, please.

SENATOR STROMER: I yield.
