makes his motion to close debate is Senator Stahmer.

SENATOR STAHMER: Well, Mr. President, members of the body, I'm going to support what Senator Proud said here and I'd only want to add one thing. I understand now where Colonel Sanders and the word chicken came into being. Apparently when our good Senator from Omaha goes down the highway and he slows down to 70 why he just got a little chicken going by those overpasses and that's how Colonel Sanders and the chicken business got started.

SPEAKER: Senator Nore wishes to speak a moment and then I'll close...

SENATOR NORE: Mr. Chairman, fellow members, I think that we should have all unmarked cars. I think that we should take those red things off the top or have recessive ones and when Senator Burbach introduced a bill putting those things on top of the cars, I suggested then that probably they should have a flag they could run up 200 feet or maybe 100 feet so they could see a long ways so they could slow up so I'd like to close in saying that this amendment is completely ridiculous.

SPEAKER: Senator Carpenter, do you care to close?

SENATOR CARPENTER: No.

SPEAKER: No closing. Those in favor, is there any member wishing to have the amendment read again? Those in favor of the Carpenter amendment vote aye, those opposed vote nay. Have you all voted? Have you all voted? Clerk will record.

SPEAKER: Thank you, Senator Chambers, that's very enlightening.

(End of Belt #15)

(Begin Belt #16)

We'll have a roll call vote.

CLERK: Records vote. 24 ayes, 23 nays, 2 not voting.

SPEAKER: The motion carries. All it takes is a majority.

CLERK: That's all the amendments, Mr. President, to the committee amendments.

SPEAKER: The chair recognizes Senator Barnett to approve the committee amendments as a whole now that they have been amended.

SENATOR BARNETT: Is there any more amendments on the...

CLERK: The committee amendments now need to be adopted.

SENATOR BARNETT: Okay, I'd move that the committee amendments be adopted. First of all before we move into this
