## (Start of Belt #7)

SPEAKER WHITNEY: The Legislature will come to order. You'll indicate your presence, please. Have you all vot..have you all pushed your buttons indicating your presence? The clerk will record.

CLERK: A quorum present, Mr. President.

SPEAKER: Do you have some report...what's the record.

CLERK: A quorum is present.

SPEAKER: A quorum is present. The Legislature is in order. The clerk has some reports to read.

CLERK: Mr. President, your Committee on Enrollment and Review reports--read. Mr. President, your Committee on Miscellaneous Subjects to whom is referred LB 246--read. LB 508--read. Mr. President, we have an opion from the Attorney General's office addressed to Senator John W. DeCamp--read. This thing will be set out in the Journal, Mr. President. That's all the reports I have, Mr. President. That's all the reports, Mr. President. When we quit this morning, we were on LB 286.

SPEAKER: The Legislature will return to LB 286 on General File.

CLERK: The Committee amendments have been adopted and there is now pending the Stahmer amendments, and these are set out in full in the Legislative Journal on Page 1414 of the Legislative Journal.

SPEAKER: The chair recognizes Senator Stahmer.

SENATOR STAHMER: Mr. President, members of the body, I had briefly gone over these amendments and I would like to briefly reiterate for the information of the Senators present that once again these are the amendments that were unanimously, I underline the word unanimously, adopted by the Nebraska Medical Association. They had an "ad hoc" Committee that adopted these suggested
