if they know that there is no place on the highway that they are being checked, my speed has many times gone up to 90 to a hundred but if I know that they are going to be patrolled, it stays down and within the line.

SENATOR CHAMBERS: Senator Keyes, now I think I can respond to your question.

SENATOR KEYES: Good.

SENATOR CHAMBERS: You said that if you, if, you are not aware that somebody is watching you, your speed might tend to go up to 90 or 100.

SENATOR KEYES: Yes, the car that I drive--

SENATOR CHAMBERS: Now is the time--

SENATOR KEYES: Wait, wait just a minute. The car that I drive, if you set your foot at 70 or 75, you will find out that before you go very far that it has gone to 85 and unless you look down at your speedometer or are watching the road, you don't understand it, see, you just don't--

PRESIDENT: Previous question has been moved. Does the Chair see 5 hands? Thank you. The question is shall the debate now close? All those in favor vote aye. All those opposed vote no. You are voting to close debate on the Syas amendment to LB 45, on select file. Thank you, Clerk will record.

CLERK: 33 ayes, 2 nays, Mr. President, on motion to cease debate.

PRESIDENT: Alright, the debate will now close. Senator Syas, you may close on your motion. Senator Syas is closing.

SENATOR SYAS: Well, before I do close, I, the reason I voted red up there, because I do think a person should have had the
