organizations, the word used, organizations, in this bill really cover it? We're talking a lot by corp--about corporations here when you get into airlines and railroads and stuff, and also, is an organization where maybe I have a mom n' pop store and I sell beer. It's a grocery store, I mean, all I'm worried about, I'm, I'm with the intent of what's trying to be done here, but I wondered if, if the mere loose word of "organizations" covers this thing. Is, is, is a mom n' pop store, for instance, grocery store that might sell beer, is that an organization? I mean, I'm, I'm, the, well to keep, not for keeping on going, the word "organizations" doesn't, to me, seem to adequately
