it up tomorrow morning and everyone can consider it carefully then.

SPEAKER: Are you asking unanimous consent to have this laid over till tomorrow?

SENATOR LEWIS: Yes, I am sir.

SPEAKER: Are there any objections? If not, it is laid over until tomorrow, and it be printed in the journal. Well, Senator Goodrich.

SENATOR GOODRICH: When this is printed in the Journal, can we have it printed in regular bill form, striking the old language and underlining the new language. That type of an amendment so that we can read it and see what is being stricken and what is being added. That is the only way we're going to be able to understand it and I would suggest that it be printed that way.

SPEAKER: The chair recognizes Senator Anderson, for what purpose do you rise? Senator Barnett, for what purpose do you rise?

SENATOR BARNETT: Mr. President, I maybe could clear this up with a question of Senator Lewis, if he would yield?

SPEAKER: Senator Lewis, would you yield?

SENATOR BARNETT: Senator Lewis, couldn't you have this amendment printed out in a sheet and put on our desks? So we wouldn't have to worry about the journal, with what you want in the resolution.

SENATOR LEWIS: We could follow Senator Goodrich's suggestion and have it printed out in a bill form, with the word stricken that are being stricken,

SENATOR BARNETT: Instead of putting it in the journal. Would it, probably would be better if we did it that way wouldn't it?

SENATOR LEWIS: If that is the wishes of this group, we'll do it that way.

SENATOR BARNETT: Mr. Chairman, then I so move that we do it under Senator Goodrich's suggestion, with the acception of not in the journal, but print it so it would be on our desks.

SPEAKER: Your asking unanimous consent?

SENATOR BARNETT: That is right.

SPEAKER: Any objections to that? That will be so ordered. The next is consideration of LB 286 on select file.

SENATOR CAVANAUGH: Mr. President, I move the adoption of E & R amendments to LB 286.

SPEAKER: You've heard the motion on LB 286, to adopt the E & R amendments. Those in favor say aye, those opposed say no. The amendments then are adopted.

CLERK: All right now, Mr. President, there is another amendment offered to 286 by Senator Richard Maresh, insert a new section to read as follows, (Read)

SPEAKER: Chair recognizes Senator Maresh.

SENATOR MARESH: Mr. President, members of the legislature, what this does, it protects the student from being disqualified for admission to, to training programs and also protects them while in training. We provide in
