considering the Omaha recess, which we haven't given the city of Omaha due consideration and I know they would certainly love to have us on a boat ride, and I'm sure he would want to take a, care of them, but we must remember that one of the greatest pleasures apparently the Governor has is vetoing, and I would hate to deny him that and I think we should have an opportunity to, because I'm sure he is going to do that again because this does give him quite a deal of interest I'm sure, and I think we ought to reserve one day, so at least we can have a chance to react and of course I want to give Omaha, because Senator Syas, we've had a number of these things and we haven't been able to get up to your good city yet.

SENATOR SYAS: Before this gets out of line, I said we, it counts as a day, but we adjourn at noon Tuesday and it counts as a day and we take Omaha trip. I didn't say cut the Omaha trip out. I said we would only work a half day Tuesday.

PRESIDENT: Senator Duis.

SENATOR DUIS: That is all right, I just wanted to be sure that we be able to get up there, because I'd sure hate to miss it.

PRESIDENT: All right, I have lights on all over the place. Lets start back here with Senator Clark and work our way up to Whitney, Waldron, Warner, Lewis, Carpenter.

SENATOR CLARK: I'd like to ask a question of Senator Proud first.

PRESIDENT: Senator Proud will you yield to a question?

SENATOR PROUD: Yes.

SENATOR CLARK: After the vote this morning, I wonder if you have checked this with Gus Liesky and and Jerry Chisek?

SENATOR PROUD: I have not.

SENATOR CLARK: You have not. Thank-you.

SENATOR PROUD: I appreciate the implication.

SENATOR CLARK: I have tried to outguess this legislature and I want to apologize for that. Anyone that tries to out guess this legislature, ought to have their head examined, and if I had the time, I'd got to a psychiatrist, but I don't have the time. I must go to Spain because my wife is over there and I've set it up for the 24th of May and if I go any later than that, it is going to cost me another \$400.00 extra because of the change in time. So I'd like to be excused the 21st, on and I don't care what this crazy legislature does and I'm sure they are going to do something nuts.

PRESIDENT: All right, Senator Clark has asked to be excused after the 21st, of May. Are there objections. Hearing none, so ordered. All right now, Senator Whitney, then Senator Waldron.

SENATOR WHITNEY: Mr. President, since we already have voted in this legislative body not to meet on Tuesday of this next week, some of us I think have had obligations on Monday, other than being here and so I personally prefer
