SENATOR WARNER: Mr. President, I ask to unbracket LB358 that I requested this morning and as I understand the problems as I was told existed in the bill, I understand that that is not the problem or is not a problem so I have no objections of bracketing at this time. If there is consent to bracket then I move to advance.

SENATOR WARNER: Mr. President, I move it be advanced.

SPEAKER: You move the bill be advanced. Is there a second? Any discussion? All those in favor of advancing the bill vote aye, those opposed vote no. Motion carried bill is advanced.

CLERK: That is all I have on Select File, I have a couple of resolutions that could be read in. (see resolution book) Now Mr. President, I have a motion to return LB545 to Select File for specific amendment. This is the severability clause.

SPEAKER: Chair recognizes Senator Cavanaugh.

SENATOR CAVANAUGH: Mr. President, members of the body I had intended to add this yesterday when I returned this and through an oversight I did not, but there could be some question as to the delegation of powers here to alter the state pay plan and in that case, I think that we would be better off if the basic pay plan would remain in existence in case that problem arose, so I think that this clause should be on this bill.

SPEAKER: Is there a second? OK, this takes 25 votes to move the bill back to Select File. All those in favor vote aye, those opposed vote no. Have you all voted? Clerk will record.

CLERK: 31 Ayes, 0 Nay on a motion to return.

SPEAKER: The bill is then returned. It is now on Select File, the Chair recognizes
