PRESIDENT: Senator Marvel.

SENATOR MARVEL: The specific item is on page 20 of the amendments, Section 55. Now, now Senator Luedtke you may want to respond to this but we still have a little work to do to get together with you but I think we can take care of whatever else there is to do in the next few days in regard to other areas involving penal reform.

SENATOR CARPENTER: While we're talking about that, do we have a center now for adults, for the same purpose. If so, where's it?

SENATOR SIMPSON: We, we have plenty of money in this budret for an adult diagnostic center
