Proud, for what purpose do you rise?

SENATOR PROUD: I have an announcement, Mr. President.

PRESIDENT: Go ahead, Mr. Speaker.

SENATOR PROUD: This is in regard to the trip to Omaha and down the river. The bus will be at the north entrance to the Capitol Building, the north entrance which is "K" Street. No it's not going down the river. Then the bus will take you to the pier, U.S.S. Hazard and there we will board the Craft. Now some I understand are driving, want to drive their own cars from Lincoln. They should be at the Officers Club at Offutt as close to 1:00 as possible where they will board the bus for the pier at the U.S.S. Hazard and that is the time schedule so there will not be, of course you won't get aboard the boat until around 2:00 so there will be no lunch. I understand there will be a few snacks but it is my suggestion that we plan to adjourn at noon to give you some time to have something to eat. Now I realize there may be a move here to extend it, but I do suggest that we adjourn at noon and I'll have the motion up there and then of course if you want to amend it you'll have to do it that way. But, any questions about the procedure here?

PRESIDENT: Is it the chair's understanding that the bus leaves the north entrance of the Capitol Building then at 1:00?

SENATOR PROUD: That is correct. Senator Nore, do you have a question?

SENATOR NORE: Mr. Chairman, I'd like to ask a question of Senator Proud.

PRESIDENT: All right, Senator Proud.

SENATOR NORE: What, on this Hazard, U.S.S. Hazard, what about clothing? Does it have a windbreak on the deck?

SENATOR PROUD: The U.S.S. Hazard is permanently moored at the dock, you will be traveling on another craft, the specifications of which I am unaware so I would suggest that since it is estimated the temperature will be approximately 62½ degrees that you wear something reasonably warm and then we're going to have dinner afterwards and I'm sure whatever you wear, if it is decent will be acceptable.

SENATOR NORE: Fine.

CLERK: Mr. President, we have a request for unanimous consent to consider the bills that were returned that were placed on Select File and to advance them. Signed, Senator Carpenter.

PRESIDENT: Are there objections? Hearing none, so ordered.

CLERK: First one is LB 472 there are E & R amendments.

(End of Belt #13)

(Begin Belt #14)

PRESIDENT: 472?

CLERK: Yes.

PRESIDENT: Chair recognizes Senator Carpenter for the E & R amendments to 472. Senator Cavanaugh, excuse me, go ahead Senator Cavanaugh.

SENATOR CAVANAUGH: I know Senator Carpenter doesn't always
