

amendment whatever it was, I don't think that there would have been time to ever advance their bills. They are very lucky to have them in the position that they are in.

PRESIDENT: The motion under vote at the present time is the motion which would suspend the rules and Senator Mahoney we are under a call of the house, I am sorry to advise you about that. Senator Duis.

SENATOR DUIS: Mr. President, Senator Proud wishes it this way he is the Speaker of the Legislature so I personally would ask for the call to be raised and I admit that I have been badly whipped. Thank you.

PRESIDENT: OK, the question is shall the call be raised, all those in favor vote aye, those opposed vote no. Motion is to raise the call. The Clerk will record.

CLERK: 28 Ayes, 6 Nays and 15 not voting.

PRESIDENT: The call is raised, and the motion still under vote is, shall the rules be suspended and those four bills that I have enumerated be amendable by a simple majority. Senator Schmit.

SENATOR SCHMIT: Mr. President, I am changing from nay to aye.

PRESIDENT: Senator Schmit is changing from nay to aye. The call has been raised and under those rules you can't vote by voice vote, the only way you can vote is by punching your machine and that is final and that is done, and apparently it can't be changed so that is it. Read the original tally here.

CLERK: 15 Ayes, 17 Nays.

PRESIDENT: Motion to suspend the rules is lost. Begin the Select File debate here of LB581.

SENATOR CARPENTER: Mr. President, I move for the adoption of the amendment. I don't know how many of you gentlemen have read the opinion of the Attorney General to this house pertaining to 582. Senator Mahoney as I recall had an opinion which would indicate in that 582 the amendment which I had the responsibility of having accepting and have it drafted. It was not complete to the point that it would do what we anticipated that it would do. As a result of that I have two amendments one on 581 and one on 582. The one on 581 would only apply to the year 1972 and 1973. The other amendment would apply to the year 1973-74. The original amendment and this amendment attempts to say and in substance that the governor and the DAS can not allow and spend money to exceed \$50,000 in the area of the computer program as it now exists or as they might want to have it exist. What it does it says in the event it goes beyond that area or that amount of money. Then they have to come before this body and ask for an appropriation to accomplish that objective. Now the Governor said for example here that, you have read the....anyway I will read in part, it says that the administration has certainly not ruled out the possibility that International Business Machines will proceed with the services of the state of Nebraska and we were pleased to note that their
