

SENATOR KENNEDY: I so would agree too.

SENATOR CARPENTER: Now then does the Clerk understand what he is to reprint the bill with.

PRESIDENT: I think that the Chair can direct the Clerk to poll all the amendments together that are known, and it will be done.

SENATOR CARPENTER: Then I want to amend Senator Marvel's motion that a hearing be held sometime within the next three weeks. A public hearing. Now this bill has been battered around a lot. We have this bill hearing before all of the experts the state of Nebraska had at the time we had the hearing. I don't think that it is a very controversial bill and I realize that it is pretty confused by the number of amendments that have been adopted by the committee as a result of a number of hearings that we had at numerous times at numerous places. This is a highly important thing, bill, and we put it over from the last session which I don't think we should have done then. But anyway I want to amend Senator Marvel's motion that the Health Department and this may be an unusual thing to say, that they have a public hearing not later than 3 weeks.

PRESIDENT: All right, now we actually have a motion before us to return the bill to committee and actually the amendment to that now is that a hearing be held within three weeks. Now we are going to speak just on the amendment to the motion. That is the hearing in three weeks now. Senator Whitney do you want to be heard on that. Actually excuse me, Senator Stahmer your light has been on. Do you wish to be recognized regarding the amendment to the motion? Fine, Senator Whitney we are going to speak on the amendment to the motion now. That is the three weeks hearing.

SENATOR WHITNEY: Mr. President, I favor this recommitting to the committee and I have in my hand here a copy of all of the rewritten draft including all of the amendments which has been worked out and which has been agreed upon by all persons who are involved and the department of public institutions has done this work already so it is relatively easy to simply print. What this is all about.

PRESIDENT: Is there any further discussion of the amendment to the motion. Are you ready for the question on that? All those in favor of the Carpenter amendment that the bill be heard after rescheduleing and returning to the committee in 3 weeks say aye, those opposed say no. Ayes have it so ordered. The motion is amended. We have now the amended motion before us to return the bill to committee for hearing within 3 weeks, is there further discussion now of that motion? Senator Marvel do you care to close on your motion.

SENATOR MARVEL: No, I asked the question.

PRESIDENT: Question is shall the bill be returned to committee, it does take 25 votes. All those in favor vote aye, those opposed will vote no. Motion before you is to return LB302 to committee and a hearing be held in 3 weeks. Have you all voted? Clerk will record.

CLERK: 29 ayes, 0 nays and 20 not voting.

PRESIDENT: So ordered. The bill is returned. Now then this
