down here to represent them are in agreement with the adoption of this amendment in place of the other amendment.

PRESIDENT: Any other discussion of the motion to return the bill? The question is, shall LB438 then be returned to Select File for the specific amendment as explained by Senator Carpenter? All those in favor of just returning the bill at this time, vote aye. All those opposed, vote no. The motion is to return LB438. Thank you. The Clerk will record.

CLERK: 25 ayes to return the bill, Mr. President.

PRESIDENT: The bill is now on Select File. Senator Carpenter.

SENATOR CARPENTER: The amendment as requested in the Journal takes the place of the one that was adopted.....

the other day.

PRESIDENT: You've heard the motion and the support.

SENATOR CARPENTER: With the assurance to the Body that the trucking industry, as such, who would be affected by it, have no objections to it.

PRESIDENT: Are there any other discussions then on the motion? Do you all understand the motion? All those in favor of adopting the specific amendment to LB438 on Select File, vote aye. All those opposed, vote no. You are adopted Senator Carpenter's specific amendment to LB438 on Select File. Have you all voted? The Clerk will record.

CLERK: 28 ayes on the motion to adopt, Mr. President.

PRESIDENT: The amendment.....

SENATOR CARPENTER: I move that the bill be advanced to E & R for Engrossment.

PRESIDENT: The question is, now, shall the bill LB438 as amended be re-advanced to E & R for Engrossing. All those in favor, say aye. Those opposed, say no. The ayes have it. So ordered, the bill as amended is re-advanced.

CLERK: Mr. President, I ask unanimous consent to have LB217 delivered to the Governor today. Signed, Senator Chambers.

PRESIDENT: Are there objections? Hearing none, it is so ordered. Senator Carpenter, for what purpose do you rise?

SENATOR CARPENTER: A matter of personal privilege, I guess.

PRESIDENT: Go ahead, sir. State your point, Senator.

SENATOR CARPENTER: I don't want to get into a long involved discussion of what I am about to say because it's not that important. I've had a number of requests and complaints from various senators who indicate there's too much noise on this floor. I think it's a position well taken. They suggest we attempt to get the price, what it would cost, to enclose in glass that area under the balcony like it is in the back of the room. With only two entrances on the extreme end probably at both ends with the belief that if we want to try one side. If it proves successful and desirable and accept it, then we'd attempt to do it on the other side. I have asked Senator Goodrich who got an estimate last time to do the same thing for the Executive Board and for the membership this time. Which he's going to do and when he gets a sketch and gets the estimated price, it will submitted, I assume, first to the Executive Board for
