CLERK: LB613 read.

PRESIDENT: Chair recognizes Senator Whitney.

SENATOR WHITNEY: Mr. President, I don't see a dollar sign on the fiscal note, and this may amount to a considerable number of dollars.

PRESIDENT: Does anybody want to talk about the fiscal note relative to 613? Senator Duis? Senator Waldron.

SENATOR WALDRON: I believe that they are working on the fiscal report. It will make some difference, but I am not sure that it is going to be a lot of difference. They are working on it.

PRESIDENT: How much is a lot?

SENATOR WALDRON: I don't know...a lot of difference would be...that would be a million dollars would be a lot. Senator Whitney \$10 might be a lot...but it just depends who you are talking too. Mr. President, Senator Carpenter, it is his bill, and if he is here. Also I would like to correct the committee report. It says that it is signed by Senator Kremer, and it should be signed by myself as Chairman of the Miscellaneous Subjects committee. Senator Stull pointed out to me that that was somplace when whoever puts the stamp on there, must have been looking at two different committees at the same time.

PRESIDENT: So ordered.

PRESIDENT: Without a fiscal note on it, we can't take it up. That cleans up General File. Are there any other motions on the desk?

CLERK: Read committee hearing notices.

SENATOR LEWIS: Adjourn until 10:00 a.m. Monday morning.
