these thirty votes, because frankly we need them Senator Warner, and I'm with you 100%, we want those thirty votes. I'd like to have about forty nine of them all the way through.

PRESIDENT: Is there any further discussion now of Senator Carpenter's motion. The motion is to set LB 772 for February 7th hearing. Senator Carpenter, do you have any closing remarks on your motion.

SENATOR CARPENTER: Only to say, I would oppose Senator Whitney's motion. And what I didn't say is that if you adopt this then I'll make a motion with Senator Marvel's concurrence if he concurs. That we set Tuesday, the 12th of February to a day certain to hear the budget bill. I think these things have to come in sequence. And I would hope that you would not accept Senator Whitney's motion.

PRESIDENT: The questions is shall LB 772 then be set for February 7, General File debate. All those in favor of that motion will vote aye, all those opposed will vote no. The Chair would rule on this instance that this would require 25 votes in order to bind the body to this particular action.
