Sergeant-at-arms help get the Senators in their seats please. We are under a call of the house. Gentlemen we are under a call of the house. The motion under vote, we are asking that you please indicate your presence. Please indicate your presence. Motion under vote is the suspension of the rules for the introduction of the two bills as outlined by Senator Luedtke. Senator Kennedy did you want the floor? We are under a call of the house, take your seat. We are still under a call of the house and we have asked that you indicate your presence. Senator Carpenter for what purpose do you rise?

SENATOR CARPENTER: Point of order. I move that the call be raised and that the Chairman of the Judiciary Committee be realistic, he has got himself in a bind. Lets do it another time.

CLERK: We only need two more votes.

SENATOR CARPENTER: Well, but you are loosing votes every-time they get up. Anyway I move that the...

PRESIDENT: Senator Kennedy changing from aye to no. Senator Dickinson changing to no. Wait a minute Senator Cavanaugh voting aye. Senator Kime voting no. Senator Maresh voting aye, Senator Chambers for what purpose do you rise?

SENATOR CHAMBERS: Mr. President, this is a rhetorical question, but I am wondering if this means that no more bills are to be introduced. I was told the other day to not be a dog in the manger when I didn't get what I wanted and I accepted that advise. I did not act on my motions and vote against everything because I have been voted against. But if things are going to be done against certain people in what I consider to be a petty fashion because we are in a hurry, then I think that that ought to be the rule that we adopt from here on out and the rest of this session and no more rules should be introduced by any committee or by any individual. I will be victimized by it too.

PRESIDENT: Senator Carpenter's motion is to raise the call. Senator Richendifer, for what purpose do you rise?

SENATOR RICHENDIFER: Would it be proper Mr. President for me to change my vote from aye to nay for purposes of reconsideration. You can't do that here?

PRESIDENT: No, this is just a suspension of the rules. Senator Murphy.

SENATOR MURPHY: I would just like to second Senator Chambers motion.

PRESIDENT: Well that is a second of his remarks. Alright we are still under a call of the house. Are you all through voting? Senator Carpenter has has asked for the call to be raised then. All those in favor of raising the call will vote aye, those opposed will vote no. Have you all voted? Stand by. Have you all voted? Clerk will record.
