

Attorney Generals office quite clearly and I went back and explained to Senator Murphy, and I don't think that he is under a misunderstanding on that issue anymore. It is listed February 28, 1974. Now that is the one that we are speaking on now. Also I would like to point out. Somebody wants an example, one state Senator in this body, purchased a piano and it had a warranty on it that any defects in that piano would be repaired, if there were defects. There happened to be a bonified defect in that piano. So he says, well I can get it repaired and he looked at the fine print or the contract and he finds out that to get it repaired he has to send it back to the factory and to ship it back to the factory or a...a...is a considerable expense because of the weight. Those are the things that we are trying to do away with in a consumer protection bill. If you have any questions, I'll tell you who the Senator was and you can talk to him personally. He had a real problem getting his piano fixed. So, I would hope that we would return this bill to Select File. Thank you.

PRESIDENT: The motion is to return LB327 for Select File then you can debate it after it gets back to Select File, if it gets there. Those in favor of returning it vote aye, those opposed vote nay. It takes 25 votes. We are returning 327 for specific amendment.

SENATOR WALDRON: Mr. President, I would have to ask for a call of the house then, we have got one, we need only three more, and there are three here somewhere. Who are those that are not in the room and....not.....

CLERK: Proud, Stahmer and a...a..Skarda not Stahmer, and Fellman are excused. Cavanaugh is here now. It looks like everybody is here.

SENATOR WALDRON: I'll ask for a call of the house. We need only two more votes so I think that it is worth a try to get them in.
