

March 12, 1974

the affidavit procedure of dealing with very small estates will allow you to deal with these estates up to \$10,000. LB354 only have \$5,000 in the same category in order to have the same amount going through the years as we proceed into the uniform probate code of the Nebraska probate code in 1977, would be well if they read the same, namely \$10,000 for the very small estate on transfer by affidavit and this would make both 755 and 354 consistent in that respect.
