

PRESIDENT: Any further discussion. Senator Kelly, do you want to be heard on actually, the motion is to just return the bill and then he is going to consider this, so the first motion here is to return the bill. If there is any further discussion on whether to return the bill or not we will take that at this time, and if not lets return it then we can argue about the amendment. Question is then shall LB877 be returned to Select File for the specific amendment. All those in favor vote aye, those opposed vote no. This is the motion to just return the bill to Select File for the specific amendment as outlined by Senator Fellman. First motion is to just return the bill. 877. This is the motion to return the bill only. Just to return the bill. 25 votes to return the bill, then you can consider the motion. Vote aye on returning the bill 877 to Select File for specific amendment. Senator Fellman, what is your pleasure.

SENATOR FELLMAN: I'll ask for a call of the house.

PRESIDENT: Alright, Senator Fellman is asking for a call of the house. Clerk will clear the board. Next bell please indicate your support for a call of the house. Senator Fellman has asked for a call of the house. Please indicate your support. This is a motion for a call of the house. Have you all voted? Clerk will record.

CLERK: 20 ayes, 10 nays

PRESIDENT: OK, we are now under a call of the house. Next bell please indicate your presence. We are under a call of the house. Next bell please indicate your presence so that we can determine who is here. Senator Lewis is voting aye on the original issue. We are going to have to re-vote because we didn't take a transcript here as to who voted. Senator Fellman we have them under a call of the house now, what is your pleasure. We may have malfunctioned up here as we didn't take down the original tally for the call of the house, so the motion is to return 877 to Select File. We will vote on that now, yes. Alright, we are under a call of the house. Senator Fellman has asked that 877 be returned to Select File for a specific amendment. This is to return the bill only. Senator Syas.

SENATOR SYAS: May I ask a question? Is this deduction is this voluntary or mandatory? I haven't been able to find out?

SENATOR FELLMAN: Voluntary. Let me briefly just explain it. I'll tell you just exactly what it is. This is an exact copy of what exists now in the Federal Law. ON your federal tax return you can check whether you want a dollar deducted on the taxes that you pay and contributed to the party of your choice. This would do the same thing on the state income tax return. The money would be given to the party that you designate if you want to do it. If you don't, nothing happens. That is all that it is.

PRESIDENT: Any further discussion? Alright the question is shall the bill be returned. All those in favor of returning the bill, to Select File for a specific amendment vote aye, this is to return the bill only.
