

March 13, 1974

CLERK: 10 ayes, 17 nays.

PRESIDENT: Thank you. Motion is lost. Now, Senator Carpenter, for what purpose do you rise?

SENATOR CARPENTER: Well, we'll withhold the sound system until somebody thinks we ought to do that on the floor too.

PRESIDENT: Senator Carpenter, I think it's only fair for the Chair to mention that I don't believe that the sound system was part of that motion, was it?

SENATOR CARPENTER: It wasn't. They've determined the motion. Now they've determined the sound system if and when it gets before them.

PRESIDENT: I'm sorry, you lost me.

SENATOR CARPENTER: That was only a point of information.

PRESIDENT: Oh.

CLERK: Nothing further, Mr. President.

PRESIDENT: All right.

CLERK: Whoops, we have one coming.

PRESIDENT: Stand by.

CLERK: I ask unanimous consent to bracket LB877, signed, Senator Fellman.

PRESIDENT: LB877? Final E & R.

CLERK: Final E & R.

PRESIDENT: Senator Fellman is offering unanimous consent on LB877 on Final E & R. What...pending some amendments?

CLERK: Till 3:00 Monday, 3/18. Just bracket the bill till Monday on E & R Finals.

PRESIDENT: Asking to bracket LB877 on Final E & R until Monday.

CLERK: Unanimous consent.

(End of Belt #2)

(Begin Belt #3)

PRESIDENT: Well, we're having some discussion out there. All right now, Senator Fellman, Senator Syas, are you listening? Senator Fellman is asking unanimous consent to bracket LB877 on Final E & R until Monday. Are there objections to bracketing the bill till Monday on Final E & R? Any objections? All right, hearing none, so ordered then, the bill is bracketed. Any other motions on the desk?

CLERK: Nothing further.
