

say aye, those opposed say no. So ordered. The bill is advanced.

CLERK: Read amendment 877.

PRESIDENT: Senator Warner, we are ready for your motion on 877.

SENATOR WARNER: Mr. President, members of the Legislature, I move the bill be returned to Select File. What the amendment does, there was a great deal of discussion last week relative to the one-thousand limitation which is included in LB877 for campaigns and most of the discussion expressed concern that it would work a hardship if there was to be a proposition on the ballot and some groups may want to support or oppose it and this would take away that \$1,000 limitation to organizations. In support of propositions it would remain in effect as it is drafted for individual candidates but it would....

take it away, the limitation as far as propositions, although the expenditure would still have to be fully reported.

PRESIDENT: Motion is to return LB877 to Select File. All those in favor of returning the bill vote aye, those opposed Senator Syas.

SENATOR SYAS: Could I ask a few questions, or one question really, I can see where he is right that far, but...

PRESIDENT: Senator Syas we are debating the issue only of returning the bill at this time. We are not debating the motion. Or the amendment at this time. Only the issue of returning the bill. For or against that.

SENATOR SYAS: Now we come to that restriction again where you can't....

PRESIDENT: Right. That puts the Chair between a hard rock and a difficult place.

SENATOR SYAS: What do you think that it does to me?

PRESIDENT: You can debate it after it comes back, that is the only thing that I know what to do.

SENATOR SYAS: Maybe I don't want it to come back. I might for this specific amendment, but there are other errors in this bill....

PRESIDENT: Question is do you want to return LB877 to Select file for specific amendment. That as outlined by Senator Warner. All those in favor of returning the bill to consider the amendment vote aye, those opposed vote no. This is the motion to return the bill only. Motion is to return LB877 to Select File for specific amendment. We are voting to return the bill only. Have you all voted? Clerk will record.

CLERK: 26 ayes, 0 nays.
