March 21, 1974

(Begin Belt 4A)

CLERK: 28 ayes, no nays.

PRESIDENT: Very good. The amendment is adopted. Senator Stull. Motion now is to advance LB821 as amended. All those in favor of the readvancement of the bill vote aye... say aye. Those opposed say no. So ordered, the bill is readvanced.

CLERK: Okay now, Mr. President, I move to return LB821 to Select File for specific amendment. Signed, Senator Dickinson.

PRESIDENT: All right, Senator Dickinson.

SENATOR DICKINSON: Mr. President, members of the Body. Mr. Clerk, would you read the amendment, it would save...?

CLERK: Yes, sir. On page 11, line 20, after the period insert "any owner who has three or more vehicles required to be registered under the provisions of this act may register all such vehicles on a calendar year basis."

SENATOR DICKINSON: Mr. President, do you want me to attempt to explain this? Or shall I move it back first?

PRESIDENT: Well, we'd better move it back but you can give us a little explanation.

SENATOR DICKINSON: Very simple and very brief. This is a bill that will create staggered registration, automobile registrations throughout the year. This amendment allows owners of three or more vehicles to bunch them on a calendar year basis if they so desire. Then becomes optional. We've had quite a few requests that...farmers and businessmen with a multiple amount of vehicles would like to register them all at one time and this allows them to do it.

PRESIDENT: Thank you. Question is, do you want to return LB821 for the Select File...for the Select...to the Select File for the specific amendment as offered by Senator Dickinson. If you do vote aye. If not, stand by just a moment here. Senator Fellman, your light is on which indicates that you want to speak but I don't know if you want to talk on LB821 returning now to Select File or not. Thank you, sir. The question is, do you want to return LB821 to Select File for the specific amendment as outlined by Senator Dickinson. This is to return the bill only. All those in favor vote aye. All those opposed vote no. Motion is to return LB821 to Select File for specific amendment. You're returning the bill only at this time. Thank you. Clerk will record.

CLERK: 25 ayes.

PRESIDENT: Very good. The bill is back. Now, Senator Dickinson back to you for your motion.

CLERK: Now, the motion is to adopt the Dickinson specific amendment.

PRESIDENT: Okay, Senator Dickinson.
