particular day that they were set was because we didn't get around to them. And we voted to do that. We are not doing it any more. We haven't been, and I'm against doing it. But that was done, and I don't think it's fair at all for those people who got there bills set for a day certain and we didn't get to them, not to take them up.

SENATOR WHITNEY: Thank you.

PRESIDENT: Senator Fellman.

SENATOR FELLMAN: Senator Proud will you yield to one other question. Are salary bills included in as an appropriation bills.

PRESIDENT: All right, do we have anything else on the desk that needs to be cleared up here before we take the General File discussion of 834. Any motions on the desk. All right. Ready for the General File discussion then of LB834. Clerk will read the bill.

CLERK: LB834 Title read.

PRESIDENT: Senator Carpenter. Just a moment.

SENATOR CARPENTER: Well, then it ought to be at the top of General File. Not secondary position. That's the question.

PRESIDENT: Well, it was voted on this morning. It was understood that was the motion. That's correct Sir. We are going to take 834 now. Discuss it. And then take 977. Right. Are we still in agreement here? O.K. Senator Schmit.

SENATOR SCHMIT: Mr. President, there are some committee amendments and I move to reject the committee amendments. Is there any further discussion then. The motion is...Senator Chambers. The question is, do you want reject the committee amendments. All those in favor of rejection of the committee amendments vote aye, all those opposed vote no.

SENATOR CARPENTER: Let's discuss them. I don't know what the hell we are doing here.

PRESIDENT: I have a little problem. Let's go back. Clerk will clear the board please. Now let's go back. Now, Senator Fellman
