SENATOR CARPENTER: I move the adoption of the Schmit amendment as amended.

PRESIDENT: All right. Senator Goodrich, back to you.

SENATOR GOODRICH: I heartily concur with Senator Carpenter.

PRESIDENT: Is there further discussion? The question is then, do you want to adopt the Schmit amendment as it has been amended. All those in favor of adoption of the amendment will vote aye. All those opposed will vote no. You are voting on the Schmit amendment as amended by Senator Goodrich. To LB656 on General File. Have you all voted? Clerk will record. Read the results.

CLERK: 25 ayes, 14 nays.

PRESIDENT: The Schmit amendment is adopted. Now, Senator Carpenter.

SENATOR CARPENTER: I move the bill be advanced from General File to E & R for Initial.

CLERK: Well, there's some more amendments.

PRESIDENT: Just a minute, Senator.

CLERK: The next amendment, Mr. President, is offered by Senator Carpenter. Found on page 1085 of the Legislative Journal.

SENATOR CARPENTER: Now, Mr. President, I move that all amendments of mine be put on Select File when it gets over there.

PRESIDENT: Are you...Senator Carpenter is asking to withdraw his amendment and have them placed on the bill on Select File. All right, Senator Schmit, do you want to debate that issue?

SENATOR SCHMIT: I object. Let's discuss the whole damn thing right here. Senator Carpenter is the expert, let him explain it. Section by section, word by word. I'd like to learn some more about this, Senator Carpenter.

SENATOR CARPENTER: You know as much as you'll ever know about it.

PRESIDENT: Senator Carpenter.....ooh.....

SENATOR SCHMIT: If you're the teacher, Senator Carpenter, you're probably right.

PRESIDENT: Go on.....steady.....

SENATOR CARPENTER: Your teacher's not very good.

PRESIDENT: Senator Carpenter.

SENATOR CARPENTER: I apologize.

SENATOR SCHMIT: I accept it.

PRESIDENT: Stand by just a minute. All right, Senator Carpenter. I agree. Now, Senator Carpenter, we need to clarify what you need to do with your amendments up here.
