in this body, but there is a record kept of the activities of this body and I want this record to show the opposition that I took as soon as this irresponsible action was taken. What I see happen now is that man in the corner of the Capitol Building having an undue influence on this body because his practices are being imitated and duplicated in this very body. So before certain people criticize the Governor of certain things by saying that he is going to disregard certain portions of the law. Think of how the legislature disregarded its rules today and the twain have become one flesh. The Governor and the legislature and you have errased that dividing line.

SPEAKER: Motion on the desk.

CLERK: Read motion.

SPEAKER: Any objection to that? Senator Chambers objects. Senator Carpenter, do you want to move? Senator Carpenters motion was to go to Select File and Senator Chambers objected. Well there is an objection so we can not...Senator Cavanaugh.

SENATOR CAVANAUGH: I so move.

SPEAKER: Senator Cavanaugh moves that we proceed to Select File. Senator Richendifer.

SENATOR RICHENDIPER: Mr. Chairman I ask to be excused this afternoon and tomorrow.

PRESIDENT: Any objections? So ordered. Senator Kelly.

SENATOR KELLY: Mr. Speaker, I understood that to be General File.

PRESIDENT: It was stated incorrectly, it is Select File is it not?

CLERK: The motion is for Select.

SENATOR KELLY: I would amend that motion to state General File.

SPEAKER: I would have to rule SENator Kelly that those motions do not yield to each other. If you can defeat that motion, that is your affair. Senator Whitney.

SENATOR WHITNEY: HOW many votes will this take. It is a suspension of the rules.

SPEAKER: It is a suspension of the rules. Deviation from the set course of business and as provided by the rules. Senator Rasmussen.

SENATOR RASMUSSEN: I would like to be excused for the remainder of the day, I can't see that anything is going to be done here the way the mood of the body is.

SPEAKER: Any objections? So ordered. Senator Clark.

SENATOR CLARK: Personally I would like to see us get to Select File. Select File is something that we can actually do and get done. I think that it is most important that we
