over and find out because Senator Chambers, I think, is absolutely right. If you do this right, you have a big, there is the election, the whole election could be nullified. And some of these candidates in here better start looking into this thing. I think Senator Chambers is right. I think we made a mistake. I wish we could undo something that has been done. In other words, I really...emotionally I'm on Senator Chambers' side in the fact that we've cut out the non-partisan but we have another problem that we must do this session before we can correct it by replacing a constitutional amendment to the people again at a later date.

PRESIDENT: All right, the motion is to bracket LB933 and what other bill? LB932. Motion to bracket LB932 and 933 on Select File. All those in favor vote aye. All those opposed vote no. Requires 25 votes. Clerk will record.

CLERK: 25 ayes, no nays, Mr. President.

PRESIDENT: Bill is bracketed. Now the Chair has a couple of introductions. Under the north balcony, we have some guests of Senator Keyes. Mr. and Mrs. Amador Abril from Madrid, Spain. Then under the south balcony sitting with Mrs. Marvel is Miss Lynn Garey of Hastings; and with here is Miss Celina Christiani of Brazil. She's an AFS student. Would you please rise and be recognized? Mr. Clerk.

CLERK: Mr. President, an Attorney General's opinion addressed to Senator Kelly will be inserted in the Journal. LR147 will be inserted in the Journal and referred to the Executive Board. SENATOR CARPENTER: I think we...I would object to that prior to the ruling. We've got to get through on Select File if we don't do anything else. Whether these nominees are confirmed is completely unimportant.

PRESIDENT: Senator Duis.

SENATOR DUIS: Well, Mr. President, I'd like a point of personal privilege. I've been...I had my light on earlier and turned it off because you had something else.

PRESIDENT: All right, go ahead.

SENATOR DUIS: I would like very much if I might have the attention of the Legislature...everybody's walking around here....Gentlemen, I wonder if during the noon hour you won't consider very seriously your action on your adjournment situation and the number of days intervening. We're working here now and if I am a judge of human nature at all, when we get over to General File, we have all controversial bills right at the head of that including LB127, etc. down the line. And we're going to be stalled, stalled. Now
