throwing amendments up there. If everyone wants to do what I have done, I have a couple of amendments up there and I will withdraw mine, if everyone else wants to do it then I would agree with you, but they won't do that. Now Vince has a pretty good idea is what we do is meet Monday, and adjourn Tuesday then we will accomplish it, come back Wednesday, Thursday and Friday and we could still go to General File today and have time to do what we need on General File.
