SENATOR MARVEL: 1055

PRESIDENT: LB1055 on Select File.

SENATOR MARVEL: Vince, you have a yellow sheet up there with seven subdivisions.

CLERK: Mr. President the E & R amendments have been adopted on 1055. Now I do have some yellow pages, identified as amendment #11, and it's found on page 1393 of the Journal.

SENATOR MARVEL: It should be listed up there 1 through 7.

CLERK: That is correct.

SENATOR MARVEL: O.K. Now, Mr. President, these 7 sections have to do with the correction out on the North Platte area which identifies the Weigh Stations. The second sub-division has to do the corrective amendment. The next two have to do with the designation, instead of Nebraska Capital Construction, on state general funds there is a provision for the replacement for the fuel storage tank at the home for children and the last one has to do with the insertion on page 26, line 4 of the three words from state funds. These are basically corrective amendments and I move the adoption of those seven sub-divisions.

PRESIDENT: Senator Marvel, have you explained your amendment. Now this is an appropriations committee amendment, is that correct.

SENATOR MARVEL: Yes, Sir.

PRESIDENT: Are you ready for the question. The question is whether we are going to adopt the amendment as explained by Senator Marvel. All those in favor vote aye, those opposed vote no. The question is, the adoption of the Appropriations committee amendments. Clerk will record.

CLERK: 25 ayes, no nays, Mr. President.

PRESIDENT: Amendments are adopted. Senator Marvel.

SENATOR MARVEL: Now, Mr. Clerk, I happen to have on everyone of the Appropriations Bills the severability clause. So I make...

CLERK: Mr. President, there is amendment #17, it is found on page 1464 of the Legislative Journal

SENATOR MARVEL: I move the adoption of that amendment, which is strictly the Severability clause.

PRESIDENT: There is no need to discuss this is there? The addition of the Severability clause. All those in favor vote aye, those opposed vote no. Clerk will record.

CLERK: 25 ayes, no nays.

PRESIDENT: The amendments are adopted. I received an inquiry here to the ten minute rule. We are not, because that was on General...that was the matter on General File. WE are on Select File now. Senator Marvel.

SENATOR MARVEL: I move..I have explained the bill previously. I move that the bill be advanced to E & R for Engrossment.
