

PRESIDENT: Question is do you want to meet tomorrow? If you do vote aye, if not vote no. Your right, I'm sorry.

CLERK: Read motion.

PRESIDENT: There is another little part to it after Select File today that we meet Wednesday and Thursday.

CLERK: Following adjournment today.

PRESIDENT: Well, he made some amendments from the floor as the Chairs understanding and some observation on Select File, is that correct Senator Marvel?

SENATOR MARVEL: Yes sir, that is correct.

PRESIDENT: Then after Select File today.

SENATOR MARVE: That have the bills up there we ought to consider the rest after Select File today.

PRESIDENT: Alright after Select File today then, the question is do you want to meet Wednesday and Thursday. All those in favor vote aye, those opposed vote no. 25 votes to bind the body. This is to meet Wednesday and Thursday. Have you all voted? Clerk will record.

CLERK: 18 ayes, 24 nays.

PRESIDENT: Motion is lost. Senator Warner back to you, for what purpose do you rise?

SENATOR WARNER: Pass.

PRESIDENT: Senator Mahoney.

SENATOR MAHONEY: Mr. President, lets get on with the business and lets meet tomorrow and let tomorrow be the decision. Meet tomorrow at 9:00 but this is a not a motion for adjournment, this is merely to see that we are going to do what I am going to ask in this motion now. We will meet at 9:00 tomorrow morning.

PRESIDENT: Motion before us is to meet tomorrow at 9:00 Senator Snyder.

SENATOR SNYDER: Mr. President, members of the legislature I a favored the plan that we had adopted last week that was to not meet tomorrow but then meet Wednesday and Thursday the a week hence. However, with the Marvel amendment or the Marvel motion it was that we immediately after we get off Select File today adjourn. I think that was the reason for some of the no votes on the Marvel motion. It was the reason for my vote. Why don't we just say that after or at the conclusion of business today. I guess what I am saying is that I would oppose the motion offered by Senator Mahoney at this time and then I would have an amendment or a new motion if that is defeated that we would at the conclusion of today's business adjourn until Wednesday then Thursday a and then the following Thursday. That is the explanation of my no vote on the Marvel proposition that rather than just saying after Select File I would prefer that we say after the conclusion of the business today.
