

and hotels about 3% for conventions I think that this would be more practical.

PRESIDENT: Senator Kelly, why is your light on? Do you want to be heard on the Burbach amendment? Alright, I have to get these things done one at a time and if the lights are on that puts me in a tough spot. Now Senator Burbach, do you want to close on your amendment?

SENATOR BURBACH: Yes.

PRESIDENT: Senator Burbach is now closing on his amendment to 632 on Select File.

SENATOR BURBACH: Mr. President, members of the legislature it is very simple. The Marvel amendment provides to drop the credit back to where it is today to \$10 and I am asking not touching Senator Marvel's amendment in other areas, but that we amend the Marvel amendment and say that we want to this year, recognize \$13.00, so with the adoption of the Marvel amendment we are back to the \$13.00 as Senator Maresh's bill provided for after it left the revenue committee.

PRESIDENT: Senator Burbach, my understanding is that your amendment amends the Marvel amendment, is that correct?

SENATOR BURBACH: You are absolutely right.

PRESIDENT: I thank you. If you are in favor of amending the Marvel amendment with Senator Burbach's amendment vote aye, if not vote no. This motion is the Burbach amendment which would amend the Marvel amendment to 632 on Select File. Have you all voted? Chair is going to rule that it takes 25 votes for an amendment. Bill is on Select File, I don't see any objection to that. Senator Burbach has asked for a call of the house. Clerk will clear the board. Alright the next bell please indicate your support for a call of the house. Senator Burbach has asked for a call of the house. This motion is for a call of the house. Question is do you support a call of the house. Senator Burbach.

SENATOR BURBACH: Why does the Chair rule that we need 25 amendments an amendment to an amendment.

PRESIDENT: Chair realizes that the other day in my absence the issue came up and that something else happened and I want to go around the whole spoke that when the body decided that we were going to pass, and we changed the rules of the legislature that all amendments....I heard no exception at that time, that amendments to amendments would take less than 25 votes. So this Chair is ruling that it takes 25 votes for every amendment that goes on a bill and particularly so on Select File. If you care to appeal that that is fine with the Chair and there are no hard feelings. Question is do you support a call of the house. Clerk will record.

CLERK: 21 ayes, 20 nays.

PRESIDENT: We are now under a call of the house. As soon as he clears the board we will ask that you be in your seats and please indicate your presence. Please indicate your
