

before I make this motion.

PRESIDENT: Alright, Senator DeCamp what is your problem back there? Go ahead.

SENATOR DECAMP: Mr. President, I don't know that it is a problem for me anymore than it is for you but we have the following bills: 302, 1040, 681, 651, 678, 94, and 677 that have to come back yet and I am just guessing that you are looking at several hours. If these bills are handled for looking at a loss of all of them so I would have to support the movement to recess until 7:30 or 8:00, somewhere in there and then come back and take care of them.

PRESIDENT: Alright now, the motion is to recess until 7:30. Senator Hasebroock for what purpose do you rise?

SENATOR HASEBROOCK: To have the Clerk make a report, I think he just talked to Emory Burnett and find out what can be done.

CLERK: Emory told me that he thought he could have the bills up here by 7:00 if you wanted to come back then, that is assuming then you are not sending anymore stuff down.
