PRESIDENT: Will the Legislature please come to order.
We'll have prayer by our Chaplain.

CHAPLAIN: Gave prayer.

PRESIDENT: Roll Call. Please indicate your presence.
Clerk will record.

CLERK: Quorum present, Mr. President.

PRESIDENT: Thank you. Are there any corrections for
the Journal?

CLERK: None, Mr. President.

PRESIDENT: Very good. Do we have any notices of
committee hearings or reports?

CLERK: Mr. President, we have a letter from a former
senator, Lester Harsh, inviting the Senate membership to
the German Heritage Days in McCook on May 4th and 5th.

PRESIDENT: Excellent.

CLERK: And I have some literature in my office if any of
you are interested in it.

PRESIDENT: Very good. We'll investigate that.

CLERK: Mr. President, there are a series of study
resolutions, LR168, 169, 170, 171, 172 and 173 which will
be referred to the Executive Board.

PRESIDENT: So ordered.

CLERK: Also LR174. Mr. President, a motion on the desk.

PRESIDENT: Read the motion on the desk.

CLERK: I move to suspend the rules and read bills set for

LB1053, 1054, 1055, 1057, 1058, 1059, 1049 and 787 and
that upon the final passage of these bills, correctly

the Legislature not adjourn today until the budget bills
have either been signed into law or returned to this Body
with the Governor's objections or if the Governor fails to
take action, that we adjourn today until April 18.

PRESIDENT: Senator Marvel. Let me just...let's carry on

motion and I understand the jest of it.

SENATOR MARVEL: May I explain it?

PRESIDENT: Yes, go ahead.

SENATOR MARVEL: The motion simply asks that the budget bills,

the appropriations bills and they're listed, 1053, 1054,
1055, 1057, 1058, 1059, Senator Maresh has 1049 and 787 as
deficiency bill to take care of Senator Lewis' bill. These
bills be read first. That upon final passage the correctly
enrolled bill then be expedited and sent to the Governor.
That if whatever changes he wants to make in those bills is
