

January 3, 1979

PRESIDENT: You have heard the motion. Record your vote. Record.

CLERK: 36 ayes, 1 nay on Senator Marvel's motion, Mr. President.

PRESIDENT: Motion carries. That completes the agenda except for announcements by the Speaker. Are there announcements from any other member? Senator Duis.

SENATOR DUIS: Yes, Mr. President and members of the Legislature, the committee which I thank you very much for being appointed the Chairman of, the Administrative Rules and Regulations, there are six more members that need to be appointed on this particular committee and will be handled by the Committee on Committees in the same like manner as other Standing Committees and I would sincerely hope that the three Congressional Districts would poll their members to see that we might possibly get two from each of those Congressional Districts of those who would enjoy serving on this particular committee because I am sure your Committee on Committees will be meeting immediately or shortly after we adjourn here now. Thank you.

PRESIDENT: Senator Shirley Marsh.

SENATOR MARSH: Mr. President, the Committee on Committees will meet in Room 1113, which is in the South corridor, five minutes after we adjourn.

PRESIDENT: Any further announcements before we call on the Speaker? The Clerk has some announcements.

CLERK: Mr. President, Senator Rasmussen asks unanimous consent to have a message printed in the Legislative Journal.

PRESIDENT: Is there an objection? So ordered. The Chair recognizes the Speaker, Senator Marvel.

SPEAKER MARVEL: I have about four announcements I would like to make. First of all, I would like to meet with the newly elected Chairmen of all the committees at nine o'clock tomorrow morning in Room 2102. I seek your advice and I would appreciate all of you being there. Secondly, the information came that starting at nine o'clock tomorrow morning in the West Lounge, Senators Lounge, those of you who want new pictures taken or haven't had your pictures taken for posterity purposes, you are welcome to go over and help me break the camera, let's put it that way, starting at nine
